PROPRIETARY TAX LISTS

OF THE

COUNTY OF CHESTER

FOR THE YEARS

STATE PRINTER OF PENNSYLVANIA.

PREFATORY NOTE.

The present volume comprises such of the Proprietary Tax Lists as have been preserved relating to the County of Chester. Other lists, with the assessments of other counties during the period of the Revolution, will follow. Similar lists were at one time in the possession of the State, but are not now to be found. For this reason their permanent preservation it has been deemed proper to publish them in the current series of Archives. To the historian, biographer and genealogist, they will be invaluable, and while not of as great interest to the general reader, yet perchance, the elucidation of much that pertain to the early history of the Province and Commonwealth of Pennsylvania, these, too, may "point a moral, or adorn a tale." No attempt has been made to change the orthography as will be seen not only in the names of townships but in the surnames of individuals. An editor should not attempt to modify either. In the publication of records strict adherence to capitalization, to phraseology and orthography must be maintained, and this should be borne in mind by the general reader in perusing these valuable lists of the early settlers of our State.
